The Gilliatt™

Advanced High Efficiency Walking System™

Fully Accessorized (Batteries not included)

The **Gilliatt**™ is available to discerning customers who are enrolled in either the *Medicare Extrême* or *Medicare Luxe* progam. Designed by top level European scientists, this is not just a "walker." It will make each day feel like "a walk in the park," for it includes features unavailable in any other walking system:

- A Blaupunkt™ sound system, discreetly housed within the front right leg;
- A fully stocked bar of very tiny liquor bottles fitted snugly in the left rear leg;
- A 12 foot telescoping mast and spinnaker, which can be extended from the aft right leg, for extra speed on windy days. (Can function as an air bag should a collision occur);
- A weapons platform, located directly behind the operator, with room for crossbows, air rifles, and knives, all within easy reach;
- Brand new tennis balls on the foot of each of the four legs.

The **Gilliatt**™ will make traveling a breeze. Have to make a quick trip to the bank? Why, just take the **Gilliatt**™.

Satisfied customers include Governor Greg Abbott, Stephen Hawking, and Raymond Burr.
